NEAR THE SHOP

Torchy's Tacos - Fun and delicious tacos, we LOVE their queso! (actually obsessed!) Try the Mr. Orange, Baja Shrimp, or the Trailer Park (but make it trashy)- South Lamar

Elizabeth Street Cafe - Vietnamese food and small bakery treats (The Phó 32B with a soft boiled egg is our favorite) - South 1st St

Loro - An awesome spot created by the masterminds behind Uchi Sushi and Franklin's BBQ. We always get the Malaysian chicken and rice bowl, their corn fritters and brisket sandwich are also delicious- South Lamar

Pinthouse Pizza - Super tasty pizza combinations, a great selection of their own beers on tap, and their homemade ranch is killer! We love the Honey Pear Pizza (we sub the blue cheese for goat cheese) - in the Brodie Oaks Plaza

Come on, look at this queso!

Eberly - American restaurant with a rotating menu that is SO Instagrammable. You must order the French 75 at their 150-year-old bar - South Lamar

Maudie's - Tex Mex, their breakfast Migas are the best - South Lamar

Here's a peek inside Eberly.

Good luck trying to finish a bowl yourself.
